MEMORANDUM FOR: Director, National Photographic Interpretation
Center

THROUGH : Deputy Director for Intelligence *RJS*

SUBJECT : Visual Presentation Assistance

Art:

1. Each year I have the pleasure of looking on with considerable pride as NPIC continues its high professional contribution to national security and the Agency's mission. We here in O/PPB are the direct beneficiaries of the by-product of that professionalism by the support you give us for those visual materials used before the Congress. We could not manage without your help.

2. I would appreciate it if you would pass along my sincere appreciation to your personnel involved in this direct support to us.
